present

THE JAVELIN

for 1955

The children who attended the above pictured school in 1954-1955 will be the students to take each of our places in the years to come. They will be as capable as we felt we were in carrying out the standards, loyalty, and spirit of our C. C. H. S. With pride we use these students as the theme of this yearbook.

Elaine Smith

Editor

The annual staff feels that no one more deserves the dedication of this 1955 yearbook than Mrs. Lunz. The Freshmen are under her influence as a class sponsor; she prepares the Sophomores and Juniors for Senior English, and the Seniors for college pitfalls and "hidden" curves. Mrs. Lunz taught the 1955 Seniors in the fifth grade and seems to know each one's personal character as well as his scholastic ability. Her sincerity in advancing the knowledge of the students she teaches doesn't end with the Seniors, but goes on through college. Her time isn't her own when you are seeking it for personal betterment--undoubtedly she is a tireless worker because her own precious children occupy her every moment at home. She is very active in all school functions and attends most of the athletic games, showing that she's for the Javelins in any field of sport. Mrs. Lunz has shown herself to be for us, and we certainly are for her.

Seated, left to right: R. E. Laughlin, Superintendent of Crystal City California Packing Company; Frank Harris, Rancher; R. C. Boyer, Wallis Lumber Company; B. R. Guyler, Farmer; Leslie Brice, Rancher; Dr. S. S. Peters, Dentist; W. P. Brennan, Jr., Owner of Crystal City Machine Shop; R. C. Tate, Superintendent.

SUPERINTENDENT

R. C. Tate

Mr. Tate, our superintendent, is a well-known personality around Crystal City High School among the students and also among graduates since 1930. In the past he served as coach and teacher from 1930 to 1941, principal of the high school from 1941 to 1953, and is now in his second year as superintendent. Though Mr. Tate may present a stern and uncompromising front to the "fish", all the seniors can tell you that these same qualities make him an ever present help in time of need.

PRINCIPAL

John M. Talmadge

Mr. Talmadge has been known to the high school students for six years, four of them as principal of the Junior High and the remaining two as "Chief" of C.C.H.S. Mr. Talmadge coached the debate teams last year, and his girls' team took district honors. The smile he wears and witty stories he tells are appealing to all the students, and his teaching ability is especially manifested in his senior civics classes.

ANNUAL STAFF

Mrs. Jackson and Mr. Barker, the annual sponsors, supervise the overall planning and production of The Javelin. As editors, Barbara Dee Rutledge and Bunny Smith are charged with the responsibilities of selecting the theme, writing the copy, approving layouts, and making the many large and small decisions that arise during the course of editing the annual. Fayrene Marley and Jeannine Fisher are the layout editors. Their duty is to plan and execute the way in which all pictures are to be placed in the annual. Joy Addison, as photography editor, planned the setting and size of each picture and arranged with Mr. Keswick the taking of the pictures. Lavem Meister assisted Joy in this project. Carolyn Sramek and Herby Wiley are the business managers. Carolyn was in charge of the sale of annuals and arranged for the workers in the stands during football season. Herby was general supervisor of all business transacted by the concession stands. Phineas Durbon and Paul Mata are responsible for securing ads to The Javelin. The sketches and other art work are the handiwork of Gregorio Figueroa, our art editor, and Leona Farley, his assistant.

FOOTBALL "A" TEAM

'54 FOOTBALL REVIEW

Sept. 17--Crystal City 6-Eagle Pass 18

"Eagle Pass had a seasoned team of nearly all veterans and had a game already under their belt." Stuart Pullen

"The Javelins opened their season this year with the Eagle Pass Eagles. The score at the half was in favor of Eagle Pass. The second half belonged to us but we only scored six points. When the game ended, the Eagles were ahead 18 to 6." Howard Chapman

Sept. 24--Crystal City 13-Uvalde 34

"We outplayed them in yards rushing and in penetrations, but their fast boys were too shifty." Herman Acosta

"When we played Uvalde they caught us asleep too many times, and other than the score, I think that it was a good game." Harold King

Oct. 1--Crystal City 6-Edgewood 6

"Edgewood was next and we expected to stomp them. However, we found that they had eleven good men on the field just like the Javelins and the battle ended in a 6 to 6 tie." Charles Reed

"I think all the boys thought that we would have an easy time of it. We had everything but that." Darrell Bailey

Oct. 8--Crystal City 13-Poteet 7

"This was Crystal's first victory. Everyone was happy after this game." Gerald Hale

"We beat Poteet thirteen to seven. I think that we outclassed them all the way." Jack Hopkins

Oct. 15--Crystal City 12-Pearsall 26

"This bunch always has a football team." Burrell Day

"Pearsall came over here for revenge over last years' 7 to 6 win. They surely put it over too, winning 26-12." Donald Turk

Oct. 22--Crystal City 18-Hondo 41

"Hondo came next. They came down here with a fairly good record and favored to win the district." Joe Cuevas

Oct. 29--Crystal City 14-Brackettville 7

"The people at Brackett said they were going to beat us but we knew better. The score at the end of the game was 14 to 7." Howard Chapman

"Before we played the Tigers, we knew they had a good boy. We found out they were all good." Tommy Avila

Nov. 5--Crystal City 19-Cotulla 19

"They outplayed us for three quarters, but we made a comeback in the fourth making the game end in a tie." Ralph Salinas

Nov. 12--Crystal City 7-San Felipe 13

"The San Felipe game was a good hard game. It was not as rough as I expected it to be; nevertheless they beat us." Wendel Condry

Nov. 19--Crystal City 6-Carrizo Springs 26

"The game with Carrizo was a heartbreaker." Jean Peters

"Then came that fateful day. The team went to the Wildcats' lair and were eaten up by them." Bart Wagner

"There is an old saying that goes like this, 'When you win, everybody plays with you, but when you lose, you lose by yourself.' It made us players feel good to see this statement proven false, our entire student body stayed with us win, lose, or draw." Burrell Day

The stands are empty and the football field is bare. Only the school colors wave valiantly in the breeze. The football season of 1954 has ended and with it five of the football "A" team boys. Five of the finest boys in any high school have ended their football playing for Crystal City High School.

Just as those school colors are left as a reminder of the last game, may the courage and sportsmanship of these five senior boys be a goal to achieve. The boys on the "B" team football squad will be the ones that the school and community will soon depend on, and though in the 1954 season were not the heroes of the Javelins, they will soon fill the "A" team's positions.
